

# Put the Brakes on the Rising Cost of Parts Purchases

## AUTO & TRUCK PARTS

### *Calculate Your Estimated Annual Rebate*

NAPA, a AAA preferred supplier and the recognized leader in the auto parts and repair business, offers special programs to AAA service providers. By taking advantage of the competitive pricing, prompt pay discounts, and parts purchase rebates, the AAA/NAPA Quality Parts Program can help you put the brakes on the cost of your parts purchases.

AAA and NAPA can help you stock up on quality auto parts for less. If you're not currently a AAA-approved shop, take a quick trip to [AAA.biz/auto/NAPAoffer](http://AAA.biz/auto/NAPAoffer). In addition to receiving a AAA discount, see how much you may earn with annual rebates on many of the NAPA parts you already purchase. Enter the information in the fields provided, click the button, and we'll calculate your average annual rebate based on qualified parts purchases.

### **Save money... maximize profits... deliver customer satisfaction**

In addition to AAA service provider discounts and rebates, NAPA provides you access to a range of valuable opportunities to help manage your business, improve service, and maximize profits. See for yourself what programs from AAA and NAPA can do for your business. Go to [AAA.biz/auto/NAPAoffer](http://AAA.biz/auto/NAPAoffer) for program details.
