Health Insurance Plan Options

As medical care advances and more treatment options become available, health care costs increase. The purpose of health insurance is to help you pay for care. It protects you and your family financially in the event of an unexpected serious illness or injury that could be very expensive. In addition, you are more likely to get routine and preventive care if you have health insurance.

Call today for your **FREE** consultation and find out which plans are available in your area.

Work with an experienced agent who will help you shop, compare, and apply for the right plan at the right price.

Learn more about discounted Medical and Dental Plans, starting as low as \$6.95/month! Group and individual health insurance options are also available.
