The Dispenser

The Car Brite CFM hooks to your current water system and dispenses Degreaser, General Purpose Cleaner or Glass Cleaner from a convenient, tamper proof system. Car Brite's highly-concentrated products reduce usage costs and provide lasting performance between bottle change-outs. Take the "guess work" out of calculating the proper dilution ratios with the Car Brite CFM. You get the right amount of chemical dispensed every time!

The Foaming Gun

is perfect for your biggest cleaning jobs. It hooks up directly to a hose, dispensing the correct dilution of cleaning fluids and has the mobility you need for larger areas.
